Sir:

Pursuant to 37 C.F.R. §§1.97 and 1.98, applicant respectfully requests that the documents listed on the accompanying PTO 1449 be considered by the Examiner and made of record in the above-referenced application.

The references listed on the accompanying PTO 1449 were either cited by the Examiner or previously submitted in parent application U.S. Serial No. 09/564,941 with the exception of Japanese Application Nos. 2000-513901 and 2002-513520. A copy of these cited references along with an abstract is enclosed. Pursuant to 37 C.F.R. § 1.98(d), the

PATENT

references are not required if the earlier application is identified and relied upon for an effective filing date under 35 U.S.C. § 120 and therefore are not enclosed herewith.

Identification of the listed documents is not to be construed as an admission of the applicant or attorneys for applicants that such citations are available as "prior art" against the subject application. If the Examiner applies the documents as prior art against any claim in the application and applicant determines that the cited documents do not constitute "prior art" under United States law, applicant reserves the right to present to the Office the relevant facts and law regarding the appropriate status of the documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should the documents be applied against the claims of the present application.

This statement is submitted more than 3 months from the application filing date but before the mailing date of the first Office Action. In accordance with 37 C.F.R. § 1.98, submission of this Information Disclosure Statement requires no fee. However, the Commissioner is hereby authorized to charge the payment of any fees required in association with this communication to Deposit Account No. 02-4377.

Respectfully submitted,

By:
